To

D.M. Narasinga Rao Esq., B.A., B.L.,
Secretary to the Government of Mysore,
General and Revenue Departments,
BANGALORE.

Sir,

In his speech at the laying of the Foundation Stone of the Daly Memorial Hall, His Highness the Maharaja expressed his "earnest hope that when the objects of the Mythic Society become better known, the people of Mysore at large- not the learned few only- will begin to feel pride and interest in its work", a sentiment which had found expression also in Sir M. Visvesvaraya's speech at the Annual Meeting.

One of the best ways in my opinion to comply with His Highness' wishes would be to spread the Journal of the Society all over Mysore. I would then suggest that the Mysore Government take at least 100 copies of the Journal as a standing order for distribution among the educational institutions and the District and Taluk Offices of the Province. That would be a great encouragement for the Society as it would make its work more widely known and at the same time afford the Society a substantial help towards the publication of the Journal, which

The Mythic Society,

like all learned Journals, is much lacking in financial support.

We must all do our utmost to make the Society a great success and I feel that His Highness' Governemnt will not decline to help me in the furtherance of that laudable object.

May I then request you to be so good as to place this letter before His Highness' Governmant for their kind and favourable consideration?

I have the honour to be,

Sir,

Your most obedient servant,

Paul Sabad.

President.
